Entity Name: UC San Diego, Halcolu Data Science Institute

Booth Number:

Link for Students to Register:

Leave Blank if Unknown

1) Type of Opportunity(ies) (Scholarship/Internship/Full-Time):

Graduate programs in Data Science

2) Description of Opportunity(ies) Available / Geographic Location(s):

The Halcolu Data Science Institute (HDSI) offers three graduate programs including a Master of Science in Data Science(in-person), a Master of Data Science (online), and a PhD in Data Science (in-person). HDSI is a part of UC San Diego located in southern California.

3) Ideal Candidate Qualifications (Majors/Degrees/Experience):

Here are elements that our admissions committee looks for in student applications:

- Previous experience with the following topics: Linear Algebra, Programming, and Statistics.
- Sustained academic success (we generally admit students with high GPAs)
- A dedicated interest in Data Science, either through academics, personal projects, or professional work.
- PhDs: Demonstrated research experience either in the professional or academic setting.

If you feel you are a qualified candidate, we encourage you to apply. HDSI is dedicated to fostering an interdisciplinary approach to data science. As such, we admit graduate students from all academic and professional backgrounds.

4) What work eligibility category(ies) do you offer opportunities:

☐

U.S. Citizens

☐

Perm. Resident

☐

F1 Visa

☐

Other

5) Do you offer work sponsorships (Yes/No)?

N/A

6) Do you offer opportunities for community college students (Yes/No)?

Yes
