

# INCLUSIVE STEMM EXCELLENCE INSTITUTE

Powered by Great Minds in STEM

## CALL FOR SESSIONS AND WORKSHOP PROPOSAL “Inclusive STEMM Excellence Institute” July 1-3, 2024 Hyatt Regency Crystal City, Arlington, VA

### GOALS

In a time of social, political, and legal challenge, we see a need to support educators (from middle school through college), in STEMM and beyond, in their efforts to be inclusive in their teaching while addressing the learning losses exacerbated by COVID. Consequently, we are hosting the Inclusive STEMM Excellence Institute with three broad aims:

- Provide educators and their constituents with the tools to promote Diversity, Equity, Inclusion, and Access (DEIA) in various settings for various populations within an increasingly hostile social/political/legal environment.
- Provide policy makers with tools for making a continuing case for DEIA efforts and encourage their support of classroom teachers to engage in such efforts.
- Provide educators and policy makers opportunities to network with peers, knowledgeable subject matter experts, and resource providers in order to enhance STEMM learning environments.

### SCHEDULE

- Three 90-minute interactive sessions/workshops and exhibit hall each day.

### INSTRUCTOR TRACKS

- Physical Sciences
- Life Sciences
- Engineering
- Mathematics
